INTELLIGENCE FOR FORWARD THINKING BUSINESS LENDERS

MAY 2014

FREE DEVELOPMENT SESSION ANNOUNCED FOR MAY

Credit Culture and Understanding Your Borrower is the topic of the May, 2014 MBL Development Session.

The session will discuss the importance of a lender's credit culture and outline multiple types of business entities, tax issues and working capital and cash flow issues. Sign up on the invitation you will receive prior to May 14th.

MBL NOT IMPACTED BY HEART BLEED

The discovery of a vulnerability known as Heart Bleed should have no impact or effect on MBL systems.

The MBL environment does not use open SSL1.0.1 or 1.01f and MBL servers do not run on any of the vulnerable Linux-based operating systems.

Save November 11th and 12th to play golf and attend the Las Vegas
