

MBL Welcomes Blake Marsh

MBL is excited to announce Blake Marsh as its new SVP/Chief Operating Officer.

Marsh will be taking the reigns from Lyman Williams. He has been in the lending industry for his entire career. He has experience in underwriting, processing, closing, and servicing SBA and commercial loans. He recently worked for a local bank in Utah managing lending operations. He assisted in building out an operations department and supported a healthy portfolio growth from \$80 million to \$400 million. Blake previously worked for Member Business Lending for nearly 6 years and had the opportunity to learn all aspects of operations.

Blake will oversee the operations of Member Business Lending and provide the necessary assistance to employees and credit unions. He received Six Sigma and Lean training which will be used to analyze existing processes and improve the company's efficiency to provide exceptional customer service to our partner credit unions.

Outside of work, Blake enjoys spending time with his family. He has been married for over 11 years and has 4 children (1 boy and 3 girls). He loves to watch and play a variety of sports.

Congratulations and Good Luck Lyman!

Lyman Williams has accepted a position with MBL participant Sound Credit Union, a more than 1 billion dollar credit union headquartered in Tacoma, Washington. "Professionally and personally I am confident that Blake will be a tremendous asset to MBL and has the necessary background and experience to help move the company forward. Over the years I worked with Blake, I saw him become an SBA lending expert and his time in the banking industry has deepened his knowledge and skills." Williams said In a statement. "I would like to thank all those that have worked with me through the years at MBL who gave me opportunities to learn and grow. I would also like to thank all of our participant credit unions for their support in growing this CUSO to become a nationally-recognized leader in commercial and SBA loans. I am excited for this new growth opportunity, and look forward to working with the MBL team in my new role."

The Office of Capital Access has announced the issuance of SOP 50 57 2 (7a Loan Servicing and Liquidation), which became effective on December 1, 2015. MBL is preparing a web presentation to provide an overview of the changes. We will be presenting in January 2016. Keep an eye on your email for an event invitation!
